Nothing has changed for my Pittsfield Superior case tomorrow (Feb. 23). so I'm still planning on stopping in Northampton on my way back. I'll also be calling the lab when I am finished in Pittsfield, so if anything changes with your cases, please call the lab and let them know. Finally, is there a number you'd like me to call when I'll done in Pittsfield so that you will know as soon as possible? Thanks.

I just spoke to the Atty. We need to speak again, however, he has both drug cases and right now they are still on.

I'm wondering if there are any changes to the cases below scheduled for Feb. 23, 2010 since an ADA in Pittsfield needs me on either Feb. 22nd or Feb. 23rd for a Superior court trial (I already have a Superior court case in Worcester schedule for Feb 22nd, but I have emailed him to see if anything has changed in that case as well). Thanks.
